Payment plans

Payment of application fee and English exam fee

Payment of the application fee and the English exam fee (together € 90) must be completed **by 24 August** by bank transfer or authorization.

This applies to those needing an admissions exam and/or assessment of previous education.

Onetime payment

Payment of all tuition and fees in a single payment: the total amount owed is € 2315 for EU students and €4265 for non-EU students, plus €250 for the MVV and a €500 refundable deposit. This amount must have been paid by 24 August by a bank transfer, or by a registered authorization.

Payment in installments

It is possible to pay the balance for each block in 4 installments or in 10 installments on a monthly basis for 10 months (this corresponds to the school year) after the initial fees are paid. The application / annual registration fee and the English exam fee must be paid in advance. The first installment includes the fees for the Introduction week and Spiritual Emphasis / Leadership week.

Balances due

At the beginning of each block there cannot be a balance due on your account. Installment payments are made with a registered authorization as an automatic bank payment. It is a serious matter if the installment amount cannot be collected from your account. If the problem is not corrected, in the extreme case, this can lead to exclusion from the seminary.

Study grant

Each of the past several years we have received a gift from an external source. This fund (which is limited) is for students who have a financial need. A form for appealing for these funds may be submitted to the Management Team. This grant may only be applied for after the student has been enrolled for a minimum of one (1) year. This declaration must cover the reasons for the submission of your request.

Housing

Student housing is not provided by Azusa. Arrangements for housing can be made by contacting the VU housing office or by private contacts. Our office can only help you to make contacts, but the student is responsible to secure his/her own housing.
